A STRONG SPACE FOR TALENT, PORTRAIT AND ARTIST BRANDING

A clean environment for portrait work,
talent campaigns and brand identity
imagery.

From artist portraits to personality-led
campaigns, Scope Media Studios gives
teams a flexible setting for focused
image creation. The clean space and
controlled setups make it easy to create
work with clarity, confidence and polish.

CAMPAIGN- READY VISUALS

From editorial portraits to
fashion-led content, the
space supports a premium
visual standard.

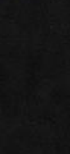

Scope Media Studios gives creative
teams a strong base for image making,
from polished portraits to campaign
concepts and art-directed visual work.
The result is a space that can support
both clean commercial output and
more expressive creative production.

REAL PRODUCTIONS. REAL OUTPUT.

A studio designed to support commercial
shoots, brand campaigns, interviews and
fast-turn content.

Scope Media Studios is built for practical
production. The space accommodates
lighting, talent, crew and kit while still giving
creative teams a clean environment to
work from. It is equally suited to polished
campaign shoots and efficient content days.

STUDIO B

A compact styled set space for
portraits, creator content and
controlled shoots.

Studio B offers a more intimate
setting that is ideal for portraits,
seated content, social-first
production and smaller-format
creative shoots. With a built-in
visual identity and controllable
lighting, it is a strong option for
quick, high-impact content
creation.

CLIENT AREAS & PREP SPACES

Comfortable, practical spaces
that support the production day
around the shoot.

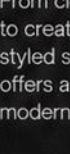

Beyond the main shooting areas,
Scope Media Studios includes a podcast
suite for downtime and collaboration,
plus a dressing and prep room that
helps talent and teams get ready
with ease. These spaces add comfort
and polish to the overall client
experience.

STUDIO A

A flexible, production-ready
space built for clean shoots
and high-output days.

Studio A combines a spacious
white infinity cove with an
adaptable open floor, making it
ideal for photo shoots, interviews,
campaign work and commercial
production. The room is designed
to work beautifully both on camera
and behind the scenes.
